SNAKE GULLY MAYOR SPRUNG VISITING LOCAL CAT HOUSE!

History Of Wild Sex Romps And Orgies Surface

Snake Gully was rife with the stories of sex and guns and rock 'n' roll tonight after photographs emerged of the town's Mayor and Town Marshall, Sodbuster, leaving a house of ill repute.

The Dry Gulch editor in chief, Dunmore Kinkystuff was working under the covers (is that right?) When he encountered the Mayor 're-zipping' after an all night stint at Miss Kitty's parlor for wayward girls.

It is believed that losing a 50m rifle match to a Dry Gulch marksman recently, unsettled the Mayor.

Mayor Sodbuster in the process of adjusting his 'zippety doo dah' The girls in the background all confirmed that they were actually Dry Gulch Girls out to corrupt the Snake Gully gang, but found that these people were long gone on their trip to Hell.

Take care of those pesky varmints, 4 legs or 2. The results are always the same. Satisfying!
