# DRY GULCH CELEBRATES ITS 200 YEAR BI-CENTENARY

**IT'S OFFICIAL! DRY GULCH WILL BE 200 YEARS OLD IN THE YEAR 2207!**

The mayor of Dry Gulch, this week announced that the 200th birthday celebrations of this little town would commence immediately.

Although the town was only built this year, it was decided by the town council that rather than wait 200 years, it would be better to celebrate its bi-centenary now, as there is a possibility that many of its residents may not be around in 200 years time, due to the fact that people like to move on.

To celebrate our towns history, Dry Gulch has had its very own postage stamps printed.

The stamp attached is genuine and can be used with Australia post as a 50c postage stamp. For you smarter readers, you'll put this in your stamp collection because one day, this li'l ol' doozy could be worth a heap of cash.

Of course, all that must sound like John Howard's election promises, but, who knows.

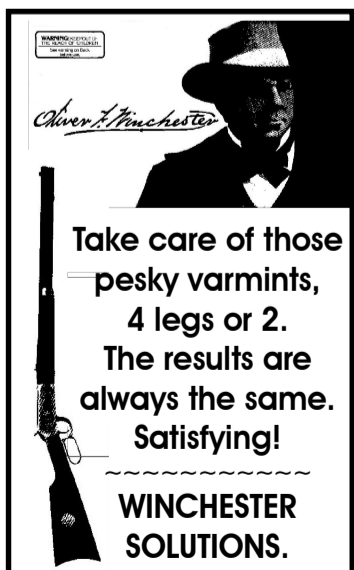

Your unique stamp is attached below.

Anyone foolish enough to want more of these stamps due to a diminished mental capacity or their lacking any credible intelligence can purchase them from the Dry Gulch Gazette at 0.85c each (no minimum quantity).

Call 041 301 2049 for your order.
