## AUSSIE PM PLACES SANCTIONS ON RUSSIA

### RUSSIAN PREMIER, VLADIMIR PUDDING IN PANIC MODE OVER AUSTRALIAN THREAT TO DESTROY RUSSIAN ECONOMY

Sydney, September 15, 2014

Australian PM, Tiny Rabbit has announced new sanctions on Russia with the withdrawal of the acceptance of Russian brides for horny Aussie males.

The PM stated that as of the end of August, horny Aussie guys would no longer be able to look for sexy, erotic, kinky-sex Russian girls, but would be encouraged to focus their attention more on kinky Tasmanian lifestyles.

Greens leader, Christine Milf, has already put forward a proposal to encourage Aussie males to check out young, slim, petite Polish girls to replace the Russians.

Tiny Rabbit has warmed to the idea, issuing a statement this afternoon saying that the government has already placed an order for at least

200 light Poles.

Among other sanctions announced, the Russians have been informed that Vegemite will no longer be shipped to Russia in the foreseeable future.

"Let's see how they handle Marmite" Mr. Rabbit added.

#### TROOP DEPLOYMENT

Mr. Rabbit also issued a statement regarding the planned deployment of Australian troops overseas.

"These people have to be stopped." Mr. Rabbit said. "They talk funny, they wear those big bushy beards, they wear dresses and they eat weird food and they do nothing but fight. Always brawling and now they want independence". Mr. Rabbit added.

Mr. Rabbit was reminded that the Australian troops were not being sent to fight the Scots, but going to Iraq.

Mr. Rabbit responded by simply saying "Oh. Never mind".

#### MASSIVE BLAST ROCKS THE TOWN OF DRY GULCH

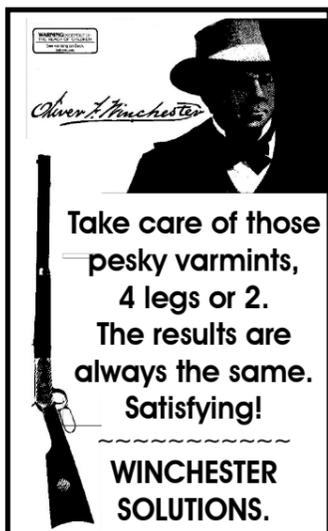

Dry Gulch, September 15, 2014.

There was a massive blast at a shooting range today when a local girl, known only as Hell-Raisin' Rachele, inadvertently let fly with a miniature artillery round that somehow fell into her hands, or more so, her gun.

The blast, similar to the one that destroyed a gun turret on the U.S.S. Iowa in 1989, rocked the town.

It has been reported that parts of the sand-stop at the end of the range was turned to molten glass.

Fortunately, no one was injured, although some fellow shooters had to leave the range for a change of underwear.

Take care of those pesky varmints, 4 legs or 2. The results are always the same. Satisfying!
